EARL Spring General Meeting Wednesday, April 24, 2019.

Wrap up

The Wednesday April 24 General Meeting featured a fascinating presentation by Tonya King about the Living Free Together organization, who works with partners to assist returning deployed veterans to more smoothly adjust to being home and with their families.

To learn more, visit www.livingfree2gether.org Contact is 804-218-5505.

Tonya discussed many ideas which were mentioned on Friday at the rededication of the Dogwood Vietnam Memorial in McIntire Park. Many stories related by our Earlysville neighbors about their returns from deployment fifty years ago were similar to Tonya's description of current soldiers' experiences.

Living Free and many other veteran service organizations (fifteen to date) will be sharing their services on May 30 at the Firehouse. The Roll Call is organized by active duty and retired veterans to share connections with others, veterans and families.

The second agenda item was a discussion of school issues with Chair Jonno Alcaro, At-Large, and Katrina Callson, representing the Rio district. Many questions and good conversation followed. Meeting citizens was very beneficial to the School Board members. Continue to reach out to them with your concerns.

Another call was put out for volunteer leadership for EARL.

The officers work together to gather ideas for meetings and keep an ear to the ground for local issues.

EARL is seeking new leadership volunteers. If you are able to be the moderator of the General Meeting and have an interest in the community, please contact Ann Mallek, current recording secretary, at ann.mallek@gmail.com or 434 996 6159.

The next quarterly "meeting" will be the July 4th parade. Fall meeting is generally in October. If people wish to revive the long standing candidates night from the 1990's, hosting in early October would give a better chance of attracting candidates.

The winter meeting is generally in January or February. One suggested subject for an upcoming meeting is lake management to deal with migratory birds. Please share your ideas to Ann.

Everyone has good ideas for the betterment of our community and the preservation of its important positive qualities. Join in.
