Thursdays, Earlsville Farmer's Market. 4 – 7 pm Buck Mountain Parish Hall parking lot

**Today at 3 pm** Facebook Live streaming of American Legion Post 74 Memorial Day ceremony

**COVID 19 COUNTY UPDATE- SEE PAGE 2-3. Hazardous waste days- See page 4**

**TAX BILLS ARE IN THE MAIL WEEK OF MAY 25. TAX BILLS DUE JUNE 30<sup>th</sup>**

**June 16 the absolute deadline for office receipt of request for an absentee ballot for primary June 23.**

During this time of crisis related to COVID-19, the Virginia Department of Elections is **encouraging voters to use absentee ballots for primaries in June and the general election in November.** An absentee ballot application can be completed in person at an election office, using a paper form by mail/email or fax, or through the online interface at the Board of Elections website.

Errors and lack of appropriate, clear instructions in the Dept of Elections online absentee voter application interface have caused problems and confusion this season for a number of prospective voters.

A registered voter who wishes to request an absentee ballot is NOT required to provide their full social security number and DMV ID and certainly not into an online system.

Instructions on the Electronic Signature page should read:

**If you do not provide your full SSN and DMV ID and click "I Decline" below, you can continue to fill out the form, print it, sign it, and mail it to your General Registrar.**

# COVID 19 County update

## Key Messages

- We're in Phase 1 of reopening. Please familiarize yourself with the requirements for customers at various businesses that have re-opened – including barbershops, hair salons, and restaurants. If you don't have a cloth face covering, you should get one – many businesses now require it.
- Phase 1 is part of the “Safer at Home” plan from the Governor – more businesses are open now, but you are still the safest when you are at home.
- Albemarle County is working hard with the Health Department and using state and federal guidance to keep our community safe.

## Operational Updates

- Parks
  - **Swimming lake beaches are closed for the summer.** This is due to the logistics around staffing. Our parks are seasonal and rely on summer labor. With an uncertain date of when we could open, it's made recruitment difficult. At the same time, lifeguards need certifications, and those spring classes were all canceled due to COVID-19.
  - **Tennis and basketball courts remain closed.** Phase 1 guidelines from Governor Northam require outdoor fitness activities to be in groups no larger than 10 and everyone has to maintain 10' of distance between them.
  - **Our parks, trails, and boat launches remain open.** We encourage everyone to use our parks responsibly in order to allow us to continue to keep them open.
- County Office Buildings
  - The County Office Buildings remain closed to the public, with limited exceptions.
  - Community Development is open Mondays, Wednesdays, and Fridays, and is also taking digital submissions each day.
  - We're still working! Go online ([Albemarle.org](http://Albemarle.org)) or give us a call.
- We're here for the business community.
  - We're working with the Chamber of Commerce, the City, and the University on Project Rebound, working with our local businesses to brainstorm how our community as a whole can support businesses through this difficult time. Hundreds of community members have participated, and their work will wrap in the next few weeks.
  - Albemarle and Charlottesville have partnered with the Community Investment Collaborative, on a microloan program for local businesses to support their re-startup costs. We've asked for a particular focus on rural businesses.
- We're here for the community.
  - If you have a need, reach out to us. There's so many community resources available, internally and through the generosity of others. Let us know how we can help.

## Update from our Fire and Rescue System

### What to Expect When You Call 911

When you call for emergency services, do your best to answer questions as accurately as possible. Screening questions are for the safety of our patients and our crews. Be sure to call the correct line for the correct service needed - call your doctor or urgent care for mild symptoms and 434-977-9041 for non-emergencies.

When a crew responds, you will find some adjustments to procedures. Firefighters and EMT's may wear an increased level of personal protective equipment. Additionally, responders may ask for you to meet them at the door or outside.

Due to hospital restrictions on visitors, there is new criteria for family members riding with patients in ambulances. No additional passengers are allowed to ride in the ambulance. Exceptions include one visitor for:

- pediatric patients (<18)
- active labor.
- end of life.

As we are responding to COVID-19 in our community, it's important to know that we are still responding to incidents not related to the coronavirus. We urge the public to call 911 during all life-threatening emergencies. If you feel a persistent pain in your chest, are having difficulty breathing, feel sudden confusion or anxiety – **do not hesitate to call 911.**
