Dear Friends and Supporters,

Finally! Summer is almost gone and the Fall is upon us, along with “falling leaves” and tons of yard work to be done! And we are back!

Our Rent A Rower Service is a very important fundraising opportunity for our guys! As you know, our team is completely self-supported, many of our students work jobs to support themselves, they are grateful for the opportunities you award them. It has also been a great tradition to connect our team members (we have over 70!) with the Charlottesville Community, incl. current and former faculty and alumni. I've seen so many relationships develop and grow - and our guys finding inspiration from their customers and vice-versa!

We are again using a Google Form to sign up. For any questions, requests etc. in addition, please do not hesitate to reach out to our Rent A Rower coordinator:

Alex Becker

Email: amb3yn@virginia.edu

Phone: 610-551-0111

Despite prices rising, inflation etc. we are keeping our hourly fee at \$20 per person. Of course, tips are always welcome. Fingers crossed that we don't need to increase that in the future. As always, half the money you pay is tax-deductible and you will receive a tax credit receipt from the UVA Fund.

IMPORTANT:

- If you are planning to book for several days, please fill out a separate form for each day.
- Saturdays will be after 12pm only (this avoids confusion with practice and a time crunch), so if you are looking for half-day help, that day is best! And remember, you can request as many guys as you want!

Please follow the link here for our sign-up form:

<https://forms.gle/yQErWn7xhGGXo2Jq7>

If you have any questions, or require service outside of these days/times offered, please email Alex and he will work on a solution for that!

Again, many thanks for all your support and Go Hoos!

Frank
